From Conversation with Dorothy Berto Wardrop July 5, 1990
adopted daughter of Harry F. Berto

Theodore Richard Berto (b. 1928) + Dorothy Berto's (b 1930) mother, Johanna (Wold) Ripke divorced Theodore Ripke. When Dorothy was 2 years old (about 1932), Johanna moved with her two children to Ketchikan, Alaska. Her brother, Theodore Wold, lived in Ketchikan.

When the children were 5 + 7, Johanna Wold Ripke married Harry F. Berto. Six months to a year after they were married, Harry Berto legally adopted the 2 children.

Dorothy + her brother, Ted or Dick – he goes by both names – Graduated from high school in Ketchikan. Dorothy graduated in 1948. She lived in Alaska for 17 years.

During W.W II when the Japanese forces were felt to be a threat to Alaska, many children were evacuated South. Ted + Dorothy lived with Harry + Josie Latimer (a cousin of her father or mother?) in Des Moines, Washington, for the summer. When the invasion threat was over, the children returned to Alaska to live with their parents.

Three Berto brothers, Fred, Lawrence, + Harry, were painters. All three died from emphysema. Their brother, Robert, was a truck driver. He lived in Idaho. He is, also, deceased.

Dorothy mentioned that the Berto sons with their father painted the Smith Tower in Seattle.

Friday Harbor, WA 98250

Dear Betty,

Last night I called Gene Berto in Bothell, WA to ask him to go down to Kent and look up some old Berto/Barto tombstones. During the conversation he mentioned an old letter he had from you. He said that you just taken his name out of the phone book and wrote. He vaguely read a little of the letter to me, but I cannot figure out just who you are, and I would like to know. We might be able to help each other with research.

The following is my direct Barto line:

1. Francis Barto about 1635-1711 wife Mary
2. John Barto about 1673-1715 wife Elizabeth
3. John Barto Jr 1709-1795 wife Catherine Barker
4. Benjamin Barto 1735-1825 wife Mary Williams
5. John Barto 1771- ? wife Martha Place
6. Joseph Hirum Barto 1798-1868 wife Dorcas Hall
7. Lucian Warren Barto 1825-1900 wife Jane Elizabeth Mack — Sheri's ancestors
8. Joseph Andrew Barto 1848-1921 wife Elizabeth Kissack
9. Harry Warren Barto 1890-1970 wife Elzora Miller
10. Vesta Barto Hendricks 1915-
11. Sheri Hendricks Lee 1942-

In your letter to Gene you mentioned Hinesburg, VT (I've been there to research) and Joseph the Circuit Riding Methodist minister (#8 above), so I'm sure that we are related. Would you mind writing back and telling me where you fit in to this tree?

Sincerely,

Sheri

7. Lucian Warren Barto & Joseph Hirum Berto Jr were brothers. & Joseph Jr was Carlton & Berta's father. This line should be yours, too. bjl.

Subject: Berto/Siderius Genealogy

Dear Warren & Rena:

Ed checked the e-mail at 11:40 am, and your e-mail arrived.

I have considerable Berto and Siderius information. Most of the Siderius & van der Feen data has been received from others who have collected family information. I should really plan a trip to Friesland, but we're not world travelers. We loved to travel around the U.S., but we've not done anything abroad. Anyway, Dora Siderius, one of my grandmother's younger sisters married Carleton Berto. My father, Claus Seetze Zoodsma, son of Maartje Siderius and Seetze Zoodsma, and your father were cousins. My grandmother Americanized her first name. I always knew her as Mattie. Mattie and Dora's mother was Akke van der Feen, and their father was Klaas Siderius. Klaas died before the family emigrated to America. Akke and Klaas had thirteen children, and my grandmother was the oldest of the thirteen children. My father was an only child. One son, Peter, drowned before Akke and her other children came to America.

I don't remember what Berto/Siderius/van der Feen information I sent to you; however, I'll be glad to share anything I have. I won't send it all to you at one time. Tomorrow morning, I'll go to Office Depot and copy my Berto information.

I believe I have copies of the obituaries for Fred, Harry, and Lawrence Berto. I don't believe I have one for Robert. Sheri Lee, who used to live in Tucson but has since moved to Colorado, has done a lot of Berto work. I'll send along the materials I received from her, too. She told me on her Christmas card that she didn't do any research last year.

Several years ago, I had lunch with Dorothy Wardrop in Mt. Vernon, Washington. We had a nice visit, and she showed me a large, beautiful picture of your grandmother, Dora Berto. Dorothy is Harry Berto's adopted daughter. Harry's wife had two children before they were married, and Harry adopted them. I was never able to visit with her again. She lived in Bellingham at that time..

Lately, I have been working with my husband's paternal line (Leach) and my mother's material line (Salisbury). I've hit a big stone wall on both lines, but I'm just stubborn enough to keep trying. My husband says it's my Dutch heritage that causes me to be persistent. Anyway, this genealaogy stuff is really fun. I 'm glad you folks are getting into it because it's the best hobby I've ever had. It get's to be sort of an obsession. I look forward to my mail and e-mail everyday.

I'll be glad to share information with you cousin on the Anderson side. I would appreciate copies of anything you have found out about the Berto or Siderius lines.

I got a very good lab technician this morning. I only have a tiny bruise mark. He said, "See, you didn't have to do all that worrying."

Betty

PS I have a picture of Akke Siderius plus a very long obituary from the Ashton Chronicle. I may have sent you a copy of the obituary. If you would like a picture of your great grandmother Siderius, let me know; and I'll have a laser copy made. The laser copies are way superior to xeroxed copies of photos. You've probably know that already. BJL

Berto and Anderson Family Members

Hello to all of you. Enclosed with this letter you will find a few printed pages of genealogy information. The ancestors of Fred Berto are shown on one page. The descendants of Fred are shown on six pages which you can read nicely by laying out from left to right.

The CD enclosed contains a collection of pictures and documents I have scanned. You will find a directory named 'pictures' and within that there are three directories, 'berto', 'andersen', and 'unknown'. Without too much trouble, I'm sure you can guess how this is going to play out. Inside each of the directories there are a number of bitmap files and a README file that describes each picture or document. Most of the pictures in the 'berto' and 'unknown' directories came from a collection Warren was kind enough to loan to me. If you happen to know further information about any of the pictures, especially any in the 'unknown' directory, I would appreciate it if you would let me know. The bulk of the 'andersen' directory comes from my family though there are a few pictures of Marion's brothers and sisters.

Also on the CD you will find a genealogy of Fred and Marion's descendants as well as Fred's ancestors and their families (to the extent I have information). Warren got me a really good start on the Berto history and then a very kindly genealogist, Betty Leach, gave me a pile of additional information. Peggy has been a super help with information on Fred and Marion's descendants but there is a lot of work yet to be done.

This information should be viewable through whatever browser you use for the web. The easiest way to tell you to get started is to use Windows Explorer and open the 'FBertoFamily' directory, then double click on either the persons.html or surnames.html file. This should launch your browser and allow you to walk through and view the information on the Berto family, past and present.

If you see anything that is inaccurate, or note missing information, I would appreciate hearing about it. You can get information to me in any of several ways. You can send e-mail to me at prander@attglobal.net or you can call 507-289-5106. The old reliable snail-mail can be sent to:

Paul Andersen
1007 40th Street NW
Rochester, MN 55901

If there is someone who would like to have either a CD or some printed information, just ask. I can print information customized to a particular family or person. For example, if someone would like an ancestor chart for a child I would be glad to print one.

This has all been lots of fun. I've enjoyed getting to know my extended family through phone conversations, e-mail, letters, and just the act of recording names and information. I hope to continue to learn and record more as time goes by.

Med venlig hilsen

Paul Andersen ❖ ❖

Subject: General info

Betty;

I have finally finished entering the facts you sent me (names, dates, places). I still have to put in the text notes. I will be scanning those and running them through an OCR program rather than typing all that in. I know Warren will be pleased to see all of this information. If I can get some time I will persue somemore of the Berto lines. I have a couple of leads to work on.

It was interesting to see that some of the people you sent me information about had lived in Minneapolis. I grew up there.

In one of your earlier notes you had asked me about Denmark. There are many Danish researchers and those I have run into are, in true Danish fasion, very polite and helpful. Most younger Danes know English. Ther are a couple of genealogy news groupls that pertain to Denmark, one is really general nordic and the other is Danish, with most posts in Dane. I don't have the exact names for those here, I usually read that stuff during lunch (response at work is MUCH better). You might do well to try an LDS recearch center but of course, you have to have some idea of names, places and years.

Once I get all this put in (and there is gonna be another delay as I have to go help Mom with some things and it is tax season) I will print a copy or put it on CD and get one to you and one to Warren. Maybe Ill try sending some partial information to some of teh other cousins and see if I get their interest up.

Tanks again for all the information, It is really fascinating. It boggles the mind to imagine what the livves of those people must have been like.

My daughter is headed off to language camp (Danish) for two weeks this summer. I wish I could go there with her, it really seems like fun.

Med Venlig Hilsen

Paul

Subject: Pictures

Dear Paul:

Concerning the pictures: Dale Ellsworth, daughter of Cornelia (Kate) Siderius, felt that No. 14 was probably an early picture of her mother, but she wasn't sure. I personally feel, and so did she, that it was a picture of one of Dora's sisters. The only other picture that she responded to was No. 4 which was the picture of the two little boys, one with dark hair and the other, a blonde. She felt that the children might have been a picture of the Jones boys, sons of William Jones and Peach Siderius; but again, she wasn't sure. Sorry. At least I was able to identify the picture of my father and my grandparents.

I wonder if the other pictures were from the Berto side. Carlton Berto had several sisters who were in Ashton, SD. The Sparlings, the Latimers, the Allens, and the Carpenters were all in SD; and they moved to Washington State.

The only Sparling I know is Myrn Sparling Heim who lives in SD. She is probably in her late 80's now. and her husband hasn't been well for a number of years. Myrn and my mother, Dorothy Zoodsma, were close friends. In fact, Myrn took care of me and my brother during an illness my mother had when we were small. If you want her address, I will be glad to give it to you. She probably doesn't have an e-mail address.

Sincerely,

Betty

Subject: More Stuff!!

Dear Betty;

I got your second package yesterday. I clearly have a lot of work to do to get this entered. I don't get to spend a lot of time messing with this though. Work eats up lots of my time and our daughter consumes quite a bit more. When I get something ready for Warren, I'll make a second copy and send to you.

A hint: When you have a really large note to send, prepare it in advance using either Notepad or Wordpad (Microsoft supplied editors). These should not lose what you are doing. Save the note and then import it into your e-mail composer sometime later.

Well, I'm gonna do some data entry. I was able to leave work a little early today so I have the house to myself.

Subject: Wonderful information

Dear Betty;

I got your e-mail a few days ago and then yesterday, your package arrived. WOW!!! Am I having a ball with that. I have a bunch of information for Warren and his siblings and their children and I had managed to put together the skeleton of what you sent details for. I am going to get this all entered into the computer and send a copy to Warren, he'll love it.

According to Warren, he was born 25 Dec 1923 and Francis was born 2 Aug 1925, a reasonable interval at the time.

As to Marion's maiden name, it was Anderson (and that is hard to type!). I got to be an Andersen because my grandfather was gored to death by a bull when my dad was two and his mother died in the big flu epidemic in 1918, when dad was about four. He was adopted by a maternal uncle. Now this where it gets weird; My grandmothers maiden name was Andreasen but when her brother (who later adopted my dad) came over from Denmark, the customs agent changed his name to Andersen. So, I ended up with a good Danis name which is nice since my mothers parents came from Denmark also (that grandfather deserting the German army he had been conscripted into). The story is even more interesting than that, perhaps sometime I will type more of it.

Well, thnks again for what you have given me. I will send you some more when I have this digested.

Subject: Another Package was Sent Monday

Dear Paul:

I'm glad to get Warren's birth date straightened. I must have misunderstood him when I talked to him in 1990. I also messed Rina's maiden name. I usually verify by the old standby F as in Frank or S as in Sam.

I would very much like to have a copy of the papers you will be sending to Warren. I found pictures of the headstones for Fred, Lawrence, & Robert. I will make copies and send them along to you.

I have a Danish story, but it's not nearly as interesting as yours. I have three immigrant grandparents. Two were Dutch; and 1, Danish.

My Danish grandfather, father of my mother, was born in Arup, Thisted Co., Denmark. He and his brother, Peter, came to America at the same time. His brother's American surname was Christensen. My grandfather Americanized Niels Nicolai Christensen to Nels Nicholas Christenson. I've always wished that his surname had remained with the Danish spelling. Do you know anything about Danish research? Do they have e-mail addresses, etc.? I've heard, but I've never really checked to see whether correspondence has to be in the Danish language or not. I only have very fragmentary data on this grandfather's family history. I don't even know his mother's maiden name.

I'm glad you liked the "stuff" I sent.

Sincerely,

Betty

Subject: My troubles with e-mail

Dear Paul:

I guess I'm a real beginner. After we printed the pictures, I typed a big, long e-mail about my father, grandparents, etc. Before I could send it, my screen went blank. I couldn't find it in the outbox or sent items. Ed tried to find it for me, no luck. So my Dutch persistence took over, and I typed it over. My screen went blank again. We couldn't find that one either. I quit.

Then I tried again Sunday after printing the FTM stuff. I still had problems. I concluded that I lost all three. On the 4th one, I had Ed send it for me. I was just about ready to go back to regular post cards and letters.

I was really shocked to look at the sent items yesterday, and it showed them all as having been sent. Of course, it had to happen when I was writing to a software expert.

Betty

I mailed the pictures to Dale Ellsworth yesterday. bjl

Dear Paul:

Ed copied the pictures for me Unknown No. 3 was a picture of my father, Claus Seetze Zoodsma, my grandfather, Seetze Zoodsma, and my grandmother, Maartje (Mattie) Siderius. This picture was the only one that I could identify. The woman in Nos. 9, 11 & 22 appears to be wearing the same dress, so I suspect if one picture is identified, you'll get all three.

I called Dale (Anderson) Ellsworth, daughter of Cornelia (Kate) Siderius & Alfred William Anderson. She grew up in Western South Dakota near Sturgis. I am sending her copies of the pictures in the hope that she can help with the identification process. I told her that I would call her Thursday or Friday evening. I'll bet she'll be able to identify the anniversary picture, I hope.

Ed was able to open the FTM files. He showed me how to do it. I decided that it might be helpful if I sent you the Siderius/Berto data that I have in my computer. I made my telephone calls in 1990 before we took a fairly long trip to the East Coast, then in June 1991, my husband had open heart surgery. Needless to say, I was distracted from my data entry. In fact, I hadn't realized until now that I still had a lot of Berto information to enter. I will check my Siderius folders of raw data again to see what more I have to do there. In 1990, I called as many of my father's cousins as I could find. Most were deceased, so I tried to talk to their children. Primary research is one of my special interests. I really enjoy finding new information.

I sent you a package of Berto information on Friday. It contains mostly handwritten family group sheets, your sheets that you sent for me to check, some vital records, and some current telephone listings of people that I feel are descendants of the Berto brothers. I didn't identify T. Berto, Orting, WA, on the sheet; but the listing just has to be for Theodore Richard Berto. I talked to Ted at least twice in 1990. As I recall, he was very helpful. I remember feeling much less success with my visits with Lawrence's widow, Dorothy. She was always polite, but she was at least 85 years old at the time. She may not have been well.

Sincerely,

Betty (Zoodsma) Leach

Unknown No. 3 was probably taken ca 1908 to 1912. It was taken before my dad went into the armed forces in WWI. I typed this e-mail once before, but I may have lost it. If you get two, just overlook the second one.

Dear Betty;

I have placed several things on this CD for you. After thinking about it for awhile, I decided to do what I could to keep it simple so you shouldn't have any problems.

Humm.... On a reread of this, I think I better stick something in here just in case (you told me your'e not really into the computer stuff). After you put the CD in, you should be able to open something called Windows Explorer either from an icon on the desktop or by clicking Start, selecting Programs and Windows Explorer. Then select the CD drive (in the left window) and you should be able to navigate from there.

First of all, there is a directory called "unknown". It contains a bunch of pictures Warren Berto sent me. I had my dad look at them just a few months before he died and those in this directory are what are left as unknown people. I am pretty sure some of them are from the Siderius family. You will find a README file in this directory which contains a brief description of each picture and has whatever information I could see such as words on the back or a photographer's name. If you can identify any of the people, just prepare a file or a note and describe the picture making sure to reference the file name (such as unknwn006.bmp), I will make updates from that. To view a picture, you should be able to simply double click on the name from windows explorer and whatever program you have on your system to handle such files will opne and display the picture. It will be Microsoft Paint if you have not installed any fancier graphics program. If you get hooked on this sort of thing, I can send you some free software for maintaining picure albums on your system.

Then, you will find a file named ksiderius.ftw, this is a Family Tree Maker file that I hope will work for you (it came from version 7 of FTM and I did not ask it to put out an older file format). From what you wrote before, your husband should be able to help with that if you need it.

In the event the FTM file does not work out, there is a directory named html on the CD. In it you will find three files with extension htm, you will be able to open any one of those with your internet browser. Either double click on the file in explorer or open your browser and ask it to open a file, then browse to the file. I'm not real impressed with the format but the data is there. It is all linked together within itself.

The main things I am looking for right now are to see if you can identify any of the pictures and to have you check the accurrracy of the K. Siderius family group sheets (hardcopy included). I put in a copy of the descendents of Carlton Berto for three generations. Please let me know if you want more information on this line. Some other time, I will send you some of my family information, back to my and Warren's grandfather.

Hopefully, this will work out well. If you have problems, you can try calling me for some help and I will ask things about your computer and the software installed on it and we should be able to get at least something to work. My phone number is 507-289-5106. I typically work from about 6:30AM to 4:00PM. Our daughter goes to bed at 8:00PM so I would appreciate no calls later than that.

I appreciate any help you can give me.

Dear Betty;

I will send you a few different things. The CD will have a bunch of windows bitmap files (.bmp) which are the pictures. I will poke around a bit and send an explanation of how to view them. You might ask you son-in-law as he is probably familiar with what you have on your computer. In with those pictures will be a README file which is just text and has information about each of the pictures. The family tree information is going t obe a bit more of an experiment, I've not tried putting this sort of stuff on a CD before so I will try to include a Family Tree Maker file and a file you can open from your internet browser. I'll do what I can to provide some instruction for that also.

This should be a learning experience for both of us. I'll try to get teh CD ready and in the mail soon but we have a Civic Theatre play to attend tomorrow, Monday I have to attend the PTA meeting as I am treasurer, and Tuesday I participate in a target shooting league. In between, IBM seems to expect me to show up for work.

Have a nice trip.

Subject: Berto and Siderius Genealogy

Dear Betty;

My name is Paul Andersen and I am Warren berto's cousin. He and I have been working on the Berto line and he passed on a copy of some sheets he had gotten from you. I believe the copy I got is third or fourth generation so I had a pretty hard time reading it.

What I would like to do is send you a copy of what I now have for you to verify. At the same time, I will send some of the Berto stuff I have, leaving out some of the younger folks for now 'cause there are a ton of 'em. I also have a bunch of pictures Warren had sent that I scanned. There were a bunch we could identify as Berto's and some as Anderson's and then there were a bunch we had no idea about. I will include those and perhaps you can tell us who some of those people are.

What I was thinking of doing was creting a CD for you with the genealogy information and the pictures (there will be a README file for the pictures with what I could find - words on the back for example). Does this sound like a reasonable approach to you?

Warren gave me your address as 7541 Oak Leaf Drive, Santa Rosa, CA 95409. Is that correct?

Now then, a little about me. I live in Rochester Minnesota with my wife and one daughter. I work for IBM as a software engineer. I enjoy woodworking, matchbook cover collecting, and target shooting. My father passed away just before Thanksgiving so I have recently been quite busy trying to get things squared away for my mother. I hope to get most of it done by the end of the month.

Well, more later. Let me know if the CD with pictures and data sounds OK. If you would prefer something else, let me know.

Subject: I'll be glad to help

Dear Paul

I'll be glad to help in any way I can. I'm not a sophisticated computer user. I do e-mail, use the internet, and the word processor. I have never used a CD as you describe. My husband, Ed, uses CD's from Family Tree Maker. Does your CD work the same way?

Do you suppose some of the pictures were from the Siderius line. My connection with the Berto line is as follows: My father, Claus S. Zoodsma, was a cousin of Warren's father, Fred Berto. They were both born in South Dakota. Their mother's were sisters. My grandmother, Maartje (Mattie) Siderius, was the oldest of 13 children all born in Holland. Warren's grandmother, Dirkje (Dora) Siderius was the 7th child born to Klaas Siderius and Akke van der Feen. Dora married Carlton H. Berto, 15 Dec 1892. She died on 14 June 1914,

We will be away from home from February 14 until the 21st or 22nd. We will be visiting with our daughter and her husband in Orange County, California, for a few days. My son-in-law works for Toshiba, and he is very knowledgeable about computer stuff. I'm sure he could tell us what we have to do.

We have a CD reader on both our laptop and desktop computers. Is that all that is necessary to read the CD you will be sending? I really feel like I'm in kindergarten concerning the in's & out's of computers.

I've corresponded with another Berto for several years although since she and her husband retired and moved to Colorado, she hasn't done much genealogy. However, she may be able to help with photo ID.

You have our correct address. Our telephone No. is 707-537-1609. I also have a Sprint PCS phone. I love it. For $50 a month, I get 500 minutes. I feel like I'm saving money because we were spending $30 a month for a Cellular One cell phone that we only used for travel emergencies.

Subject: CD & Pictures

Dear Paul:

Concerning Dora's Picture: Mrs. Stuart (Dorothy) Wardrop, Bellingham, Washington, had the picture. I tried at least 3 times unsuccessfully ten years ago to get some kind of a picture of her picture. She just stopped returning my calls if I remember correctly. I have always felt rather sad that Dora's descendants didn't have access to the picture. (Dorothy was Harry Berto's adopted daughter. She was his wife's daughter by her first marriage.) I have often wondered if a descendant of Dora would have had more success than I did.

Even a picture taken of the pictue with a good camera would be better than nothing. Do you know which of Fred & Marian's children went through their papers after they died. Sometimes valuable papers & photos surface in the strangest places. (A personal example: One of my first cousins daughters had the marriage certificate for my maternal grandparents and my Danish grandfathers personal papers from Denmark. We just accidentally found that she had the records.) Has Warren contacted his brothers & sisters to see what they have. (Even then it doesn't always work. After my brother died, my sister-in-law gave me his papers, and there was our Dutch grandfather's "Declaration of Intention". He had immigrated from Holland in 1886.) Dora Siderius Berto immigrated with her mother and 9 of her siblings in 1885.

If I eventually find a picture of Carlton & Dora, of course, I will share with you. Thanks for the hint about copies of photos. My son-in-law from PA will be here for a visit in August, and he will hook up my scanner. I plan to get instruction on how to do scanning, etc. Do you run your photos on acid-free papers? I have a Laser Jet Printer, so I just get black & white. The ink-jet printer is hooked up to my husband's laptop.

Ed is playing golf this morning; but if he isn't too tired this afternoon, I will have him help me with the CD.

Let me know what you have to do to access the CD. I tried hard to make it as easy as possible and would like to know what I can do better the next time. I really believed that simply displaying the contents of the directory and double clicking on one of the indexes would work for everyone with an internet browser installed. The pictures and README files should be just as easy. Let me know if you need more information to get at things.

You will find much more complete information on Marion's family once you get into the CD. There is more to add and Peggy has said she will continue to help. When I get enough more information, I will do another CD.

Humm, camping for five days on Saturday..... That sounds about right. One day would feel like five when camping. (Guess whose not a fan of camping.)

Do you know of anyone who has a picture of Dora Siderius Berto
> & her husband, Carlton H. Berto? I you do, I would certainly like a copy.

I have only what is on the CD and I don't recall there being a picture of them in what I got from Warren.

> I have found that the color copier here at Office Max does a fantastic job.

Yes it will, but be aware that the paper is probably not acid free and the ink is almost certainly not archival. The copies will only last a few years so scan them ASAP.

Write to her and see if she would be willing to have it copied (by a real photographer would be super, then you could get a negative). If she has any interest in genealogy, I would think she would do it, especially if all it costs her is a little time. Let me know if I can be of help in some way (a real swell offer from thousands of miles away, eh?) I would like a copy too if you get one, and will happily pay expenses. If she has pictures and is willing to mail them to me, I will scan them into my computer and return them to her along with a CD of all of them.

Dear Paul:

I apologize for not getting back to you. I need help getting into the CD, so I'll try to have my husband help me with that tomorrow. I used your chart to update information on some of the new arrivals among Fred & Marian's descendants.

I hope to get back to you this week. If I don't I will have to use my son-in-law's computer to reach you, We plan to be in Newport Beach (where the Swansons live) for two weeks. We're taking care of my daughter's two cats while they go on a two-week vacation in Europe. (July 1 to July 15) We are going camping for 5 days on Saturday, but I will try to get into the CD tomorrow. Do you know of anyone who has a picture of Dora Siderius Berto & her husband, Carlton H. Berto? I you do, I would certainly like a copy. I have found that the color copier here at Office Max does a fantastic job. I will be glad to pay for a copy if someone has a picture. Dorothy Wardrop, the adopted daughter of Harry Berto, showed me a beautiful large picture of Dora. It may have been an oil painting. It seemed to be very large for an early photograph. I didn't get a very close look at it, but I remember it was an impressive picture. I had lunch with Dorothy once when we lived in Washington.

Berto; Marvin Berto; and Merlin E. Berto.

When I go into Seattle again, I will check the latest directory to see if the people have current listings.

I will be sending a copy of the enclosed letter to the eight people in the above list of names and addresses.

September 28, 1988

Dear Elsie,

Dale Ellsworth forwarded your letter to me. I just received them today. Dale and my father, Claus, were cousins.

I am Betty Jean Zoodsma Leach. I am the daughter of Claus Seetze Zoodsma and Dorothy Christenson Zoodsma. I have one brother, Donald Raymond Zoodsma, who lives in Brentwood, California.

My grandmother was Mattie Siderius Zoodsma, and my grandfather was Seetze Zoodsma. My parents moved to California in 1936 and lived in Brentwood for the rest of their lives. My father died in December, 1966, and my mother died at age 86 in July, 1985.

Since I've been doing family history, I've met very helpful and friendly people, have become reacquainted with relatives, have met new relatives in person and by letter, and have written more letters than in my previous 62 years.

I found one of my husband's third cousins through a Bureau of Missing Persons ad in the Genealogical Helper.

From your letters to Dale, it appears that you much more about the Zoodsma family than I do. I was born in April, 1925; and we lived on a farm six miles east of Ashton until we moved to California. My father kept the land for a few years, but he sold most of it in the early 40's to Leslie and Dean Roberts. We were in Wisconsin and the Dakotas in late June and early July this summer. I spent two days doing Spink County Court House research and visiting my cousin on my mother's side, Jean Christenson Reed. She lives in Redfield.

My husband's sister lives in Forman, North Dakota, so we spent two weeks in the Dakotas. I hope to take a U.S. genealogy tour within the year. It much easier and more productive to check land and vital records in person when possible.

A trip to Holland is probably two years away, and I feel that I need a bit more expertise with genealogy than I now have.

I would like to correspond with you. I'll share what I find. I don't have a lot on the Zoodsmas at this time. I have no idea, for example, how Andy Zoodsma and his family were related to my father. I believe I asked my mother a time or two, but I didn't get a definitive answer. Like you, I wish that I'd asked my parents more questions, but I didn't forsee the future. I was lucky in that my mother left a Journal, and I found some helpful information, especially leads to earlier generations on her side.

My husband, Ed, and I were both high school teachers. He taught social studies, and I taught business education classes and social studies.

I enjoyed reading your letters.

Sincerely,

Betty

Dear

I am Betty Leach, the granddaughter of Mattie Siderius Zoodsma. Mattie was the oldest of 13 children of Agnes Siderius and Klaas Siderius. The children were born in St. Annaparochie, Holland. Their mother and the children immigrated to the United States after the death of their father.

A few months ago, I became interested in family history; and I contacted Dale Ellsworth of Walnut Creek, California, and through her I contacted Dallas Baker of San Benito, Texas. Dale Anderson Ellsworth is the daughter of Kate Siderius Anderson, and Dallas Critchett Baker is the daughter of Ada Siderius Critchett.

Dallas told me that Fred Siderius and Dora Siderius Berto had moved to the northwest. When I was in Seattle last week, I looked in the telephone directory for Sideriuses and Bertos. I am writing to you as I found your name listed in the directory.

If you are related to Fred Siderius or Dora Berto, I would appreciate hearing from you. Names of grandparents, parents, aunts, uncles, cousins, brothers, and sisters are helpful as we try to put together a family history.

Do you know of anyone else in the family who has done work on family history? I am rather spread out at the moment as I have only been working on genealogy since January. I do find it very interesting, and it is a challenging activity.

We moved in January, 1987, from Hayward, California, to San Juan Island. We find the peace and quiet of the island a welcome relief from the hustle and bustle of the San Francisco Bay Area.

Sincerely,

Betty Leach

Dear Betty.

I imagine you have a lot more info since you wrote me in 1988. I am sorry I did not get back to you sooner.

I am sending some info I received from a Sheri Lee who now lives at: 5790 E. Territory Ave. Tuscon, Az.85715 and her phone number is: 602-299-7143. She has been working on the same type of history you have and I am sure there may be some relatives you have she could use and some you have that she has not found.

Verna (Berto) Thormahlen has been working on the Berto history also. Her address is: 6209 Lake Wash. Blvd. Kirkland, Wa 98033. She is Vilas Berto's daughter. Vilas, Merlin, James and Irene were my brothers and sisters.

Am sending you a copy of the info I rec'd. from Sheri which may help you. I do not know anything about locating records but we are close to Seattle and if you have any ideas about what department of King County to contact and what to ask for I would be glad to check on whatever you want.

We live about one mile North of Bothell just over the County line into Snohomish County at a mobile home park called Green Acres. If you are down this way we would be glad to see you. Call from Seattle or Bothell and we will direct you to our place. Phone: 206-483-6463.

Dear Eugene,

Has Irene told you anything about me and my project of tracing the Barteau family history? My Mom and I are dividing up the family, that we know about, and I'm working on George's descendents.

My great-grandfather was Joseph Andrew Barto of Hixton and Soldiers Grove, Wis. He had a sawmill in Hixton and he was a Methodist circuit preacher. He married twice and we have some clues as to his other family.

About his children; Harry was a farmer in Crawford County Wis. He died in 1970. Alma (Statzer) lived in Richland Center and made beautiful wedding cakes for nearly every wedding in the county. She died since 1970. Charles and William lived in Montana, then in Yakima. Irene knew them and maybe you did too. Charles died way before 1970 and Wm died recently. Then there was Joseph and he died as a baby. Harry's widow lives in Tomah, Wis and Wm's widow lives in Yakima.

Of their children, my mom, Vesta, is 65 and about to retire from teaching grade school all her life. My sister, Suzie, is 34 and lives near Detroit. She has two young teenagers. I am 38. My husband is an engineering manager for IBM. We have lived in San Jose ten years; we have no children. Two days ago was our fifteenth wedding anniversary.

~~Vetta~~ Veletta and her husband retired from farming at Richland Center a few years ago. They spend their winters in Ark. All her children are married. I've written her to find out more about them.

As for others on the chart: Maria Martin's kin seem to be in Wis. and Mom is getting together with them. I've just heard from Rosemary and Mildred. They're going to get together everything they have and send it to me. They're very excited about "filling in the Barteau gaps".

I plan to publish a book in a year or two (when I get us traced back to France) and besides the family having copies I'll have to put a copy in the Nat'l Archives in Wash D.C. for future generations.

Legend has it that two brothers came from France (I don't know when-yet). One was a saloon keeper, the other a preacher. We're descended of the preacher. My mom knew some of the other family when she was a child. She's looking for them again - near Boscobel, Wis.

Please send me your son's address. The enclosed form is for facts I'll need for our book. Please return it in the envelope.

I'll keep in touch.

Love, Sheri

Sunday, Mar 30, 1980

Dear Gene,

Your letter came this weekend while we were South on our annual visit to Hearst Castle, Hwy 1, and The Pinnacles Natl Monument. We go before all the kids get out for Easter Vacation,Etc. I thought I'd better reply to your letter because I have so many letters going that some of them get laid aside and never answered. Not only am I working on Bartos, but Millers, and Hendricks, and Jones, they're all on my side and all my husbands Scots relations. I have mail stacked up to the windowsills!!

Your letter is really interesting. We have something very much in common, Alaska. In 1977 we spent alot of the summer up there just bumming around. Went up on the Ferry System and finally flew home. Never went to Kodiak. I don't know why. Bad weather the one time we made a special effort to go down to Homer(I think it was) and then later the problem was lack of time and funds.

Irene has told me about the family reunion in July. She didn't say exactly when. I think I've talked Bob into going up for it this year. He has some extra vacation and I think that would be fun. I did write to Vilas and ~~Elmer~~ Merlin and James' wife too, but no response yet. I heard that Vilas' daughter might have the information on the Barteaus, but Vilas never sent her address. Think her name is Verna or Vera. Would you happen to know her address? Irene doesn't. Rosemary Piotrowski of Amherst, WI sent me a typed paper(Copy encl) but so far I haven't found one fact to back it up. It is a logical story. I have guessed that the Barteaus may have been Huguenots and that is how they got to England and then Canada. This would somewhat explain their often being ministers and their interest in religion. My great grampa Joseph was a Methodist Circuit Preacher. There are other Bartos recently discovered in Wis. who were also preachers. Mom is investigating them now on her Easter vacation. (She's a school teacher, was born in 1915) This is her last year of teaching and then she hopes to devote alot of her time tracking down the Wis. relatives,and those back East.

I don't know who your Warren of the Coast Guard was. Would you know (or guess) who his father was? How old was he? I do have some odd information from another Berto family of Des Moines that I haven't connected yet. Though several oldsters assure me there is a relationship somewhere. There was a Charles Warren Berto born 1910 in Tacoma.

—Merlin?

This information came from Rosemary Piotrowski and some anonymous person in Washington during the same week. This is what I cannot substantiate with facts. Perhaps you already have heard this, but here it is again.

Of the family, great-great grandfather, Hiram Barto was born in Hinesburg, Vt. He married a Williston. His parents came from Devonshire England.

One of the children of this union was Lucien Warren Barto, born at Hinesburg on April 15, 1825. (I've sent for his birth cert) When he was three years old his parents moved to Canada, on St. Edwards Tract forty-five miles E of Montreal.(I don't know how to verify that-yet)

Lucien was in his late teens when he was called to service in the Papineau Rebellion of 1837-1849. He refused to go and with his parents, fled to the states, leaving nearly everything behind.(that agrees with what my grampa Harry said). *

His parents moved to Kalamazoo, Michigan and were never heard of again. (I found Orin Barto in the census, did Hiram change his name to Orin, or was Orin another relative?)(My sister lives in Detroit and I have her checking)

In 1847 Lucien married Jane Mack(also heard she was Sarah Mack, and also Elizabeth Mack)(am looking for marriage certs in Wis and Vt for that marriage) She was born in New York State.(wish I knew where)

Lucien served in the Army of the Potomac during the Civil War and was discharged 22 July, 1865. (why would a guy from Wis serve in that Army?)(I've written Wash DC for the discharge papers)

Lucien lived at Little River, (near Weyauwega), Lanark, and Hixton Wis. Jane Mack Barto died in 1866(I don't know where so cannot get death cert, but will try Little River). Later he married Luciann(or Ann) Folger(probably in Lanark) Lucien died on 29 Nov 1900. (Where? Hixton?)

Now as you can see, I don't know alot about this, but no reason not to believe it. Lucien had three other brothers and one sister(Maria Martin). Maria's descendents live around Black River Falls, Wis and Mom now knows them. They don't know Lucien's brothers names, but think they were Elijah and John...and who..? Mom has found Vi Zierfus of Oakdale, WI and a Cora Madison of Camp Douglas, WI who are related, but don't know how, to Elijah and John respectively. More on that as it develops..

(I think the whole bunch dropped their first names, or just plain changed them when they fled Canada.)

P.S. talked to Mom tonight. She's also found descendents of William.

*He went to Hinesburg and lived with his grandparents for three months(were they from the Barto or ~~Williston~~ maternal side?) He then moved to Wisconsin arriving about 1 May 1844.

He ~~was~~ had a son of Fred Gard Berto, grandson of Charles Henry Berto, who was a brother to your grandfather, George. Would that fit?

Alfred Thomas Berto (son of James & Rose) lives in Oshkosh, WI , has two children and three grandchildren. I don't have his exact address, but I know who does, and hope to get it for you. I'm not sure about the Dean you mentioned. In this Berto bunch from Des Moines,that I mentioned I couldn't connect,there are brothers Fred, Warren, Marvin, and Dean, all sons of Carl Berto. Carl's father was Hiram whose relationship I can't connect. Can you? This Hiram also had Emma Berto Allen, Carolin(Cad) , Netty Berto Sparling, and Lizzie Latimer. It was Lizzie's daughter-in-law, Josie Latimer, who wrote me. All these darn Bertos reused the same names over and over and it gets me confused unless I know birthdates or one other fact about them. The names you sent from the Seattle phn book must be the grandsons of the drinking and dancing bunch!!?? Think I'll write to every one of them and ask them who they are, and again to Josie Latimer to see if she has any of their addresses. Probably your Coast Guard Warren is the brother to Dean etc. I write alot of letters that never get answered, and I wonder what they do with all those stamped envelopes that I send?

In reading old census records from Vermont, I have found a bunch of Bartos in the Hinesburg area. I am writing to the Vt. Historical Society to see if there's a book or two on that area that would tell anything about Bartos. Prior to the census Vt. kept other records that I am ordering from the local Mormon library. They may not even care to bother with searching for me, but usually for a fee they will.

In summary, these two brothers who came from Canada, may have gone to Vt., had families, and their sons came to Wis. Then something attracted them to Washington. What was that? What I am trying to find out, I think, is who and how many there were, where they went and who is living now descended from them.

Please let me know when the reunion is at Vilas' and

2) Verna's address if you can get it.

Thanks so much for writing, I'm looking forward to meeting you-and Irene. She has been so much help in getting this all going for me.

Love,

Sheri

He was a son of Fred Penn Harris, grandson of Charles Henry Harris, who was a brother to your grandfather, George. Would that fit?
Alfred Thomas Harris (son of James A.Ross) lives in Oshkosh, WI , has two children and three grandchildren. I don't have his exact address, but I know the town, and hope to get it for you. I've got more about the ones you mentioned. In this same branch from the Mormons, that I mentioned I couldn't connect, there are brothers Frank, Wallace, Marvin, and Dale, all sons of Carl Harris. Carl's father was Hiram whose relationship I can't connect. Can you? This Hiram also had Reese Harris Allen, Carolina(Ohio?) , Betty Harris Sparling, and Elaine Latimer. It was Elaine's daughter-in-law, Jackie Latimer, who wrote me. All these were Harris around the same years and then and if write me confused unless I have birthdates or some other fact about them. The names you sent from the Harris tax book must be the grandsons of the Ardmore and Damaris Harris?? Think I'll write to every one of them and ask them who they are, and maybe to Jackie Latimer to see if she has any of their addresses. Probably your lack would happen to the letters I send them. I wrote alot of letters that never got answered, and I wonder what they do with all those stamped envelopes that I send?
In reading old Harris records from Delaware, I have found a bunch of Harris in the Cincinnati area. I am writing to the Va. Historical Society to see if there's a book or two in that area that would tell anything about Harris. Think of the census VA, and other records that I am checking from the local Mormon library. They may not even care to bother with searching for me, but usually for a fee they will.
If anyone, these two brothers who came from Canada, may have gone to Ohio and families, and their sons came to Wis. Then something directed them to Washington. What was their name? I am trying to find out, I think, if you and for when they were, where they went and who is living and descended from them.
Please let me know when the results is of Tilly? and

on the two baby brothers buried at Mellette Cemetery. I doubt if Raymond S. remembers either, but you could check it out when he sends you his sheets. We try to go to Mellette for Memorial day. We also stop in Ashton Cemetery. Next time I go I am going to write all those facts down so I have them to refer to.

I am going to send you some obituary write-ups I found among my Mothers collectibles. She was a saver & I am too. The one typewritten sheet of Carl H. Berts is the brother of Sarah you have listed as Carlton in ~~the~~ their family tree. There is also a Carl that was born in 1861 and evidently died at birth. He is not buried in Ashton Cemetery I'm sure. The small grave beside Carl Berts is Fred Saucoman - a baby son of Sarah & John Saucomon. As you may note dates vary in the 2 write-ups about Carl. I vaguely remember 2 of Carl's sons - Fred and Lawrence who lived in Aberdeen, S. D. when I was 10-11 yrs. old. I know they moved West and little contact was kept. I know Carl's wife Dora is buried at Ashton too in her folks lot, Aunt Effie always talked that Dora folks rejected her marriage to Carl & had Dora buried with her family. Carl was a heavy drinker.

Hi !

By the time you get this, you should be home. I hope your visit was "genealogically" successful. ☺

The following are today's changes and corrections to yesterday's sheaf of papers.

1) Change Caroline Cody to Catherine Cody

2) Sparling, # 291 first name is Joseph

3) Latimer, # 296 first name is Herbert J. (1862-1906)

If you can find the negative of the photo of Carlton's stone, may I please get a reprint?

When you go to Ashton next April I may ask you to photograph any of the Sausman (or however it's spelled) stones should I find out if there are any. Judging from the luck that you've had there, I may never find out.

Should you ever get to Washelli, I would like a photo of Harry's stone. I have others there who are more closely related than Harry. Had I realized this last month, I would have tried to go there myself. Did Harry's kids indicate why they didn't use the plot he had already paid for in Kent? I'm not surprised that Dorothy didn't put Lawrence there...she just might be a bit contrary.

I wonder if her kids are alcoholics or something of that nature. That might explain why she told me they were both ill. Maybe you will find something out from Ted and Dorothy when you see them. They may know the names of Carlton and Norma's children, and/or something about them. Do you think that next time you go to CA you will drive by his house? I would be tempted to do so. I haven't been to Corvallis in at least 10 years. When we lived in San Jose we went to OR and WA at least twice a year. At that time I didn't care much about such distant relations even though I knew they were there. Now that I have most of the close ones located I am interested in the distant ones.

Meantime, I'll just keep writing letters and doing my research long distance.

Love, Sheri

PS What subjects did you and Ed teach? I hope it wasn't writing-spelling-grammar!!

The B&W photos weren't too good. Too little contrast.

Dear Betty,

Last night I called Gene Berto in Bothell, WA to ask him to go down to Kent and look up some old Berto/Barto tombstones. During the conversation he mentioned an old letter he had from you. He said that you just taken his name out of the phone book and wrote. He vaguely read a little of the letter to me, but I cannot figure out just who you are, and I would like to know. We might be able to help each other with research.

The following is my direct Barto line:

your ancestors, too

1. Francis Barto about 1635-1711 wife Mary
2. John Barto about 1673-1715 wife Elizabeth
3. John Barto Jr 1709-1795 wife Catherine Barker
4. Benjamin Barto 1735-1825 wife Mary Williams
5. John Barto 1771- ? wife Martha Place
6. Joseph Hirum Barto 1798-1868 wife Dorcas Hall
7. Lucian Warren Barto 1825-1900 wife Jane Elizabeth Mack — Sheri's ancestors
   Joseph Hirum Berto, Jr.
8. Joseph Andrew Barto 1848-1921 wife Elizabeth Kissack
9. Harry Warren Barto 1890-1970 wife Elzora Miller
10. Vesta Barto Hendricks 1915-
11. Sheri Hendricks Lee 1942-

In your letter to Gene you mentioned Hinesburg, VT (I've been there to research) and Joseph the Circuit Riding Methodist minister (#8 above), so I'm sure that we are related. Would you mind writing back and telling me where you fit in to this tree?

Sincerely,
Sheri

BERTO FAMILY BIBLE

plus other comments

The attached Family Group Sheet for the Joseph Hirum Berto, Jr., family has been corrected to include the dates obtained from a family bible which was in the possession of Roy Berto who lived in Meridian, Idaho, in 1990.

In August 1990, Roy & Katherine Berto lived at 1332 Newport Drive, Meridian, Idaho 83642, 208-888-7222. On February 25, 2000, we found a Roy Berto living at 139 C Street, Mountain Home, Idaho, 208-587-9478.

Roy's father, Robert H. Berto, was born in 1909; and his mother, Dora (Siderius) Berto, died in 1914. I have been told that Robert was raised by the Latimers of Des Moines, Washington. Elizabeth T. Berto, a sister of Carlton H. Berto, married Herbert J. Latimer in South Dakota in 1887. The Latimers moved from South Dakota to Des Moines, Washington.

(It seems probable that Robert H. Berto received the bible from the Latimers. It's amazing how such valuable genealogy evidence can be found in unexpected places.)

NOTE: The Bible records show Carlton H. Berto's birth date as follows:

Carlton H. Berto

August 13th 1864

I suspect this date is correct. The informant on the death record may have had incorrect information. On his marriage license application he gave his age as 27; Dora, 22.

Sheri Lee told me that in Vermont the Bertos (Bartos) were close friends with Ira & Ethan Allen, the "Green Mountain Boys". Ira's son, also Ira, married Emma Maria Berto . See family group sheet for Joseph Hirum Berto, Jr. bjl

Another Note: Dorothy Berto, Lawrence's widow, provided the following comments about Robert Hirum Berto, Lawrence's youngest brother:

Marriage 1 - Vi (olet) had 1 boy. (Notes stated that someone died in Washington, but it unclear (after this long span of time) who she meant.

Marriage 2 - She didn't know her name (but it must have been Genevieve Metzger), but Dorothy stated that she had children from a previous marriage and lived in Idaho.

Marriage 3 - Dorothy stated that she believed he had children from 3rd marriage.

Page 2 of notes

Another Note: Roy Berto commented about his first marriage that he had a son, Norman. Norman goes by the name of Norman Lainhart. Source: Sheri Lee

Addendum: Roy commented, too, that his first marriage ended in divorce.

Roy Lee Berto really needs to be contacted again to verify information. If it were possible to talk to Norman Lainhart, we might find out more about his mother. bjl

The farm home of Phillip Merrill is a large and commodious place. It was built in the New England colonial style, as were many other homes in the early days of the county.

It was erected by J. H. Berto, one of the early settlers in the Trempealeau valley, probably 70 or more years ago. Mr. Berto was prominent in the valley in that period, having one of its best farms. Like most others, he raised wheat extensively when he valley still was one of the noted wheat raising sections of the northwest. Then came the bad years when hinch bugs were so thick they could be shoveled up by the peck, and wheat raising lost out. But Mr. Berto also engaged heavily in raising hops when that industry swept over the state, in the early 70s. He had one of the largest hop curing houses, which stood on the site of the barn now on the same farm, marking his production as among the largest in the valley. Then the hop industry waned, with foreign hops flooding the eastern markets, and later with the competition of western Oregon and Washington preventing its coming back again in the more favorable seasons. When the valley farmers turned to dairying in the early 80s, the first creamery in the county having been erected at echlerville in 1882, Mr. Berto joind the many who left for the new wheat fields in South Dakota. He acquired a large farm near Watertown, where he was successfully engaged a number of years. Later he moved to the Puget Sound country, where he spent the remainder of his years. There were other members of the Berto family who located in the valley in the early years, and eventually most of them also moved to the Puget Sound country, where they also prospered. They were sturdy and industrious people and were good citizens. So far as we know, only one of the family stil resides in the county—Mrs. Paul Duxbury, of Hixton, who is a granddaughter of J. H. Berto.

Joseph H. Duxbury later took over the Berto farm and operated it until he moved to the farm west of Black River Falls now owned by Charles A. Sherwood. Mr. Duxbury also got the western urge in later years and joined the numerous other former valley folks in the vicinity of Seattle.

Waldo M. Merrill acquired the Berto place some thirty years ago and it has since been in his family. He made many improvements and developed a fine property. Upon his death, his widow, Mrs. Myra Curran Merrill, operated the place until she moved her family to River Falls that her sons and daughter might avail themselves of the educational advantages of the State Teachers College. The family returned to the farm when her children graduated and again took over its operation. Since her death it has

Acknowledgements

Many people have contributed their family information which made this document of the descendants of Klaas Jans Siderius, son of Jan Dirks Siderius and Maartje Klazes Koopmans, and Akke van der Feen, daughter of Fedde Benedictus van der Feen and Maaike Pieters Hoekstra, possible.

Of course, this project is still unfinished; but as corrections and additions are made, it will become a more comprehensive document. Thank you very much for your help.

General family information, documents, and family photographs were provided by Mrs. Dale Ellsworth, Walnut Creek, California, and Mrs. Dallas Baker, San Benito, Texas. Dale identified many people in the family photographs for me; and she gave me the copy of a copy of the letter Fred Siderius wrote in 1932. This letter has been copied into the notes section for Fred Siderius.

Obituaries and vital records for the six brothers and sisters who moved to Texas were sent to me by Mrs. Barbara Fratto, Lewisville, Texas.

Spouses of descendants or descendants of the twelve immigrant brothers and sisters who contributed their family information were mentioned in the notes section for their ancestor with one exception. Since I had several sources of information for the Fred C. Berto family, the sources for Dora's four sons were placed in the notes section for each son.

If I have failed to recognize any contribution to this effort, I regret the oversight. I do not know who provided the copy of the obituary for Akke (van der Feen) Siderius, but it was an important contribution that was copied into the notes section for Akke Siderius. My mother, Mrs. Dorothy Zoodsma, widow of Claus Zoodsma, left some notes and some Siderius family photographs which included a picture of Akke Siderius.

A special thank you must go to Mrs. M. F. (Hariette) King, Lakewood, Colorado. Her encouragement and suggestions motivated me to dust off my records and get to work. I appreciate the information and encouragement supplied by Mrs. Maxine Hickox, Albuquerque, New Mexico.

I look forward to hearing from you with more Siderius family information. A change or addition can be made with the click of a mouse.

[NI046] From Peggy Berto (1999):
Robert went to the VA hospital in 1959 before Debbie was born. On advice of the doctors, Joan got a divorce because they considered his breakdown too serious for a complete recovery.. It has been a long road for him but he has immproved so much recently, probably due to a medication that is still considered experimental. I could almost write a book about all that man has been through. It's a wonder he survived the he has undergone over the years. If I hadn't kidnapped him from the soldier's home two years ago, I'm sure he wouldn't be here now. That's a whole story in itself.

[NI205] Source: Valley Morning News, Friday, March 11, San Benito. - Mrs, Ada S. Critchett, a resident of the Valley since 1919, died Thursday in the home of her daughter, Mrs. H. H. Baker of San Benito following a long illness. She had lived in San Benito since 1948 ? (unclear). Funeral arrangements are pending under the direction of Thomae Funeral Directors.

(Death Cert.) died from myocardial infarction & arteriosclerotic heart disease (15 yrs.); d. @ ae. 90; residence, 801 N. Bonham, San Benito.

[NI208] I was born May 6, 1916 in Wausa, Nebraska the North Eastern part of the state. We moved to a ranch in South Dakota along the Missouri River and close to the Nebraska line in 1930 finishing High School and riding horses tending close to 400 head of cattle along the river.

We moved to Sioux City, IA. in 1934 where I began my education selling notions door to door not missing one door and then selling Maytag washing machines door to door. Then moving to San Francisco in May of 1937 selling pianos door to door. They became very heavy so I went to work for the Electrical Specialty Co. on June 14, 1937.

Electrical Specialty Co. started in 1912 representing Eastern Manufacturers on the west coast. Representing such companies as Bakelite Corp., Continental Diamond Fibre, Mica Insulator, and

Barkelew Switches etc.

I was sent to Seattle to be in charge of that office. I sold Bakelite's compression molding materials to Beaman Molded Prod. in Portland, Hartwick and Sulak Mfg. and others in Seattle small market. We also handled American Cynamid's molding material. I sold laminated phenolic sheet rods and tubes to Boeing. I sold Bakelite molding sheet to the large paper mills for molding rubber printing plates.

We sold electrical insulation for electrical motors and transformers.

I met and married my wife Vi in Seattle and our first child daughter Anita was born in Seattle. In May 1941 we were transferred to Los Angeles to be in charge of this branch. When we crossed the border we became natives of California by choice.

We represented Panelyte Div. of St. Regis Paper Company who were a large manufacturer of High Pressure laminates, so I called and sold their material to the Aircraft Companies and fabricators. We were a major supplier in competition with Micarta and Formica etc. We played a very important part in the war effort in helping these new engineers in the aircraft industry how to use our laminated high pressure sheets rods tubes and special shapes properly. We also helped them to replace aluminum on some applications in aircraft trainers which was very important as every pound of aluminum saved made us look like heroes.

We lost the Bakelite line before I left Seattle as Bakelite Corp. was purchased by Union Carbide. We were contacted by Catalin Corp. of America so took on their line of cast phenolics and after 45 we started to sell their polystyrene to the injection molders. We were representing a distributor as we were selling Monsanto's material in Catalin bags and I was selling a fair amount of material as a number of molders thought that our material molded better than Monsanto's. We also picked up some business due to the fact that many of the molders credit was not too good. We got a chance when they had used up their credit with several suppliers then we would sell them until they used up their credit with us. Then
we would have to wait until it again was our turn.

In calling on the molders I discussed SPI activities in which they were interested, and I would try to entice them into joining if they were not members. I would use our yearly Conference to press them to join and in many times it worked. I brought in a lot of members and each year at the Conference Bill Cruise of SPI was always appreciative and would single me out and compliment me on bringing in all of these company members.

I continued to sell Catalin's styrene as they were building a plant in Indiana. When this Styrene plant was completed and Catalin sold it to Dow we asked Catalin to take care of the sales as we could not compete, it was like putting a Little League baseball team in to play against the Major League teams. So Catalin put in their own sales people. We continued to sell our electrical insulating materials many were plastic materials. They were resins, varnish. fibre, sleaving tubing, sheets tape, potting compounds adhesives Nomex etc.

We were the first distributor for GE RTV and were the largest distributor through out the United States for many years.

When the SPI held their first conferences, I would attend and later my wife and I attended most of the conferences. I was active in the local Southern California Chapter and also worked on different committees for the Western Region Conferences. I was chairman of the 10th Annual Western Region

SPI Conference. I was also Chairman of Western Region of SPI in 1954. 1 served as a member of the board of directors
of the Society of the Plastic Industry 1953 - 1954.

In these early years after you had served as Chairman and been on the National Board they put us out to pasture and did not want us around. They later changed this and started to use our knowledge.

I joined the Western Plastic Pioneers in 1979 and have been a member of the Board of Directors every year working on bringing in new members and enjoying the work and the association with some great people.

He made South Dakota his home until 1901 when, with his family, he moved to Seattle, Wash. Mrs. Berto passed away in June 1914. In 1922 he (Carlton) returned to South Dakota. He had been in poor health suffering with Lekemia (sic), for the past year and went to bed with the "Flu" about two weeks

ago. He died last Monday, December 24, at St. Luke's hospital in Aberdeen.

Mr. Berto was of a cheerful disposition and will be sadly missed by his family He was well and favorably known by the many Ashton people who were his neighbors and friends in the early days in this community. Those who lived here when this country was being settled are again reminded of these days which have melted into the mysterious and unreturnable past.

[NI307] Obituary from the Ashton Chronicle, South Dakota paper, Friday August 13, 1909

Akke Vanderfein was born in Holland on Jan. 11, 1841. Her childhood and girlhood were probably spent in conventional Dutch fashion, in thrift, useful occupation and content. In 1863 she became the bride of Klaus Siderius. In Holland they regard children as a blessing, so although thirteen sons and daughters were born, the youngest was just as welcome as the first, and never did the parents complain of the burdens each new child entailed. But in 1884 the father died and the mother saw how impossible it would be to bring up her large family in Holland as she wished to bring them up. Her two elder boys, John and Fred, had emigrated to America a year or two before and wrote to her of the chances awaiting the industrious in Dakota, so the mother gathered her ten children around her (one having previously died) and started for the land of promise. The youngest child was a baby in arms, and several others were very small, but the undaunted mother successfully contended with all obstacles and arrived safely in Ashton after a wearisome journey. Only mothers who have been left alone to bring up a large family can know the struggle which ensued. The elder children cheerfully devoted themselves to helping their mother, but even then the task was titanic. Gradually, however, as the children grew up, a greater measure of prosperity rewarded their efforts, till at length she had the satisfaction of seeing the last of her children educated and successfully started in life.
About a year ago she began to feel the attacks of the dread disease of which she died. Its course was terrific and within six months she lay on her death bed, from which she never rose again, although life was prolonged for many months by her wonderful constitution. Never was the beauty of her

character more clearly shown than during these weary months of suffering. Complaint was never on her lips, although the pains of cancer are terrible. Her children and grandchildren and the other comforts which she drew from life seemed to compensate for all pain and misfortune. Death came to her relief on August 5, 1909, at her home in Ashton, where she lay surrounded by nine of her children and many loving relatives.
The funeral was held at the Congregational church on Sunday afternoon at 3 o'clock, where a large concourse of friends gathered to pay a last tribute to her virtues. The service was conducted by Rev. Beatty of Mellette. The body was laid to its last rest in the Ashton cemetery.
Mrs. Siderius is mourned by a large family. Of her thirteen children, twelve are living; R. K. Siderius, Mrs. S. Zoodsma, Mrs. E. W. Chase, Mrs. Wm. Jones, Misses Gertie and Kate Siderius, all of Ashton; John Siderius, Mrs. C. C. Critchett and Claus Siderius, of Meadow, S. D.; Fred Siderius and Mrs. Maggie Oakes of Portland, Ore.; Mrs Carl Berto of Seattle. There are also many grandchildren and three brothers.
It is needless to speak of the love her family bore her, the esteem in which she was held by old friends and neighbors. Having devoted her life in good deeds and virtuous duties, her reward was great in unstinted affection and filial reverence, and in the Great Unknown where she has gone mayhap her recompense will be fuller.

[NI314] 10-29-32

I was born the 28th day of December 1864. Was the boy of a family of thirteen of which I was the oldest boy, there was a girl 13 months older. There were 8 girls and 5 boys. One boy was drowned when 3 1/2 years old. One girl then by the name of Berto died in Seattle, so at the present time there are living 7 girls and 4 boys.

In the year 1882 when they were coaxing the people of Europe to come to America, even sold the tickets and we could pay for them when we worked in this Country, my father and mother let two of us boys go. My brother John and myself.

After three years my father died and left my mother alone with 10 children over there, but we had a object in view, and we had saved up enough money to bring us altogether. They sold their belongings, and as the fare was a good amount it took almost all we had. When they arrived here had to pay $200 extra freight so that we were strapped, but by cooperation we pulled through.

Brother John and myself landed in Wisconsin, stayed there 2 years and then moved to Spink Co. South Dakota, where my mother came in 1866. I must say that the hardships we endured were great for there were crop failures one year after the other. So some of us came out to the Pacific coast and by earning money here we could keep the others partly enough to keep the wolf from the door. My folks stayed there a few years and got onto their feet nicely, so that when the children grew older my mother use to say "Now I am in Heaven." In a few years she was taken down with cancer, of which she died in the year 1909.

My brothers and sisters scattered to the four winds so that now 3 live in South Dakota, 1 in Penn. and the others in southern Texas. I arrived in Portland In 1890, made them all a visit in 1917, but lived In Portland ever since, and as it looks now will have no chance of ever seeing any of them again.

[NI409] From an undated newspaper article supplied to Betty Leach by a Sheri Lee in Pagosa Springs. Colorado:

The farm home of Phillip Merril is a large and commodious place. It was built in the New England colonial style, as were many other homes in the early days of the county.
It was erected by J. H. Berto, one of the early settlers in the Trempealeau valley, probably 70 or more years ago. Mr. Berto was prominent in the valley in that period, having one of its best farms. Like most others, he raised wheat extensively when the valley was still one of the noted wheat raising sections of the northwest. Then came the bad years when -hinch bugs were so thick they could be shoveled up by the peck, and wheat raising lost out. But Mr. Berto also engaged heavily in raising hops when that industry swept over the state, in the early 70s. He had one of the largest hop curing houses, which stood on the site of the barn now on the same far, marking his production as among the largest in the valley. Then the hop industry waned,, with foreign hops flooding the eastern markets, and later with the competition of western Oregon and Washington preventing its coming back in the more favorable seasons. Wen the valley farmers turned to dairying in the early 80s, the first creamery in the county having been erected at -echlerville in 1882, Mr. Berto joined the many who left for the new wheat fields in South Dakota. He acquired a large farm near Watertown, where he was successfully engaged a number of years. Later he moved to the Puget Sound country, where he spent the remainder of his years. There were other members of the Berto family who located in the valley in the early years, and eventually most of them also moved to the Puget Sound country, where they also prospered. they were sturdy and industrious people and were good citizens. So far as we know,, only one of the family still resides in the county -- Mrs. Paul Duxbury, of Hixton, who is a granddaughter of J. H. Berto. Joseph H. Duxbury later took over the Berto farm and operated it until he moved to the farm west of Black River Falls now owned by Charles A. Sherwood. Mr. Duxbury also got the western urge in later years and joined the numerous other former valley folks in the vicinity of Seattle.
Waldo M. Merrill acquired the Berto place some thirty years ago and it has since been in his family. He made many improvements and developed a fine property. Upon his death, his widow, Mrs. Myran Curran Merrill, operated the place until she moved her family to River Falls that her sons and daughter might avail themselves of the educational advantages of the State Teachers College. The family returned to the farm when her children graduated and again took over the operation. Since her death it has........

[NI417] John has a Civil War tombstone marker. Co. C, 4th Wis Cav. on his marriage cert. he said that he was a teamster. Witnesses to his wedding were Harry J. Newell and Jane Newell.

[NI510] August 19, 1897 Jackson County newspaper says Effie and Willie moved to their new home in Minnesota. (Their father had died April 26, 1897 and their mother eight years earlier..) Possibly, they went to join their aunt and uncle, Fred and Cad Carpenter. Carrie stayed in Wisconsin with her second cousin, Mrs. W. C. Hoffman. Effie and Will were enumerated in the 1900 Ashton census with the Carpenters.

Marion Berto said Effie taught school in Ashton until she married. After 1935 she married, probably for a second time, Paul Duxbury of Hixton, whose first wife, Mabel, had died. They lived in Hixton. He owned a furniture store and funeral home or undertaker business. She was very active in her church and a well respected woman.

Effie introduced Marion to her cousin Fred Berto, who was visiting with her ate the time. Marion and Effie were neighbors.
Effie died of 'heart disease. Those attending her funeral in Hixton includes her sister, Carrie Webber, of West Liberty, IA, Mrs Will Saucomon, her sister-in-law from Redfield, and her nephew, Rev. Ray Saucomon of Billington (Billings?) Montana.
They must have taken her back to Mellette so she could be buried next to her first husband (if indeed she had one).

[NI511] After her father died, Carrie remained in Jackson County with her second cousin, Mrs. W.C. Hoffman, daughter of Mariah Berto Martin. January 20, 1898 newspaper said that Carrie moved to Kaukauna (between Appleton and Green Bay) with Dr. Kennedy and his mother. This may be where she trained to be a nurse. The Webber she married may have been B. E. Webber, a Black River drugstore owner, or maybe his son.

[NI512] He moved tto Minnesota and later Ashton when his father died. He was 21 months old when his mother died. He may have been raised by Cad Carpenter as he was enumerated with the carpenters inteh 1900 Ashton census. Marion Berto said he became a farmer in Ashton.

He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me; thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord for ever.
